Frequently asked questions

1. When does subject selection start and end?

Subject selection will begin on 24 October (Fri) at 9am and end by 28 October (Tues) by 5pm. Late submissions will not be accepted.

If you do not make any selection, the school will allocate you to the subject combination that you qualify for that still has vacancies at the end of the subject selection exercise.

2. Can I choose a subject combination (e.g. Music) if I do not meet the qualifying criteria?

No. If you do not meet the qualifying criteria, you will **not** be allocated that combination. We will allocate students to the next combination that he/she qualifies for.

3. If I want to do a subject combination (e.g. F1 – Art) and I am thinking of doing either Geog as my 1st choice or Hist as my 2nd choice, how do I fill in the form?

In this case where you would like to do F1 – Art, you can choose:

- 1st choice – F1 with Geog,
- and then 2nd choice – F1 with Hist.

This will count as **two** choices of subject combinations made.
