WELCOME MESSAGE BY PRINCIPAL FOR TERM 1 2025

On behalf of the school, my warmest greetings to all in this new year! I hope all Yuhuans had a wonderful break with your loved ones, all ready to start school. To all our new Secondary One students and families: my heartiest welcome!

I lead Yuhua Secondary School with a new rallying theme each year – to unite all staff, students and stakeholders with a common purpose. This year, the rallying theme is especially close to my heart: **‘Be The Change, From Inside Out’**. There are so many compelling reasons for this rallying theme, and I'll outline them below.

Firstly, it is my fervent desire, to build generations of Yuhuans who are ready for the future. The future can be scary and challenging – and as a school, we must always prepare our students to guard against the triple evils of **I-C-U**: 1) Individualism and Instant Gratification, 2) Change and Uncertainty and 3) Unhealthy Well Being Trends. To do so, character comes first – and we must build resolute **Above All, CARE³ values** and a strong moral compass in each and every Yuhuan, to **Be The Change, From Inside Out**.

Secondly, to build Yuhuan Changemakers – we equip our students to **Care, Connect and Contribute with a Design Thinking Mindset**. The future world needs not just problem solvers – but problem seekers. ‘Care, Connect, Contribute’ speaks of a Design Thinking mindset, where every Yuhuan adopt empathy and curiosity to connect with issues they are passionate about, applying all that they have learnt to contribute towards change. Beginning from school, at home and into the larger society, our hope is to build Yuhuans who truly live out what it means to **Be The Change**.

Lastly, this rallying theme transfers agency, ownership and power to each and every Yuhuan. We must **believe in the ability and capacity of all Yuhuans to Be The Change**. This rallying theme calls on each and every one of us – in school, and as stakeholders – to be entrusted with the power to make change within our own sphere of control.

Put into context, this rallying theme is nothing new. In **MOE's Excellence in Action 2024**, the school had the opportunity to share our approach to build our signature ‘Care, Connect, Contribute’ with all school leaders and educators in Singapore. Do take time to view this video (<https://go.gov.sg/eia2024markettalk-yhss>) to appreciate the history, ethos and passion of our school in building Yuhua Changemakers.

As we head into 2025, I look forward to how our Yuhuans role-model what it means to **Be The Change, From Inside Out**. If you refer to **Annex A** at the end of this letter, we celebrate various student and staff achievements in Term 4 2024. Do follow our Instagram (@yuhuasecondaryschool) and Facebook (@yuhuass) as we share further highlights and achievements of our Yuhuan community over the year.

I hope you are as excited as I am with 2025, and I look forward to your continued support and partnership in your child/ward's education journey at Yuhua Secondary. As we look ahead to the new academic year, the following are highlighted for your information:

1 Nurturing Flourishing Yuhuans Through Student Development

1.1 Looking Ahead to 2025

a) School Terms 2025

Please note the important dates regarding school terms in 2025 in the table below:

School Terms	Day & Dates
Term 1	Thursday 2 January to Friday 14 March
Term 2	Monday 24 March to Friday 30 May
Term 3	Monday 30 June to Friday 5 September
Term 4	Monday 15 September to Friday 24 October

Parents are kindly requested to **refrain from taking your child away from school during term time** as that will affect his/her learning. Should there be special circumstances, please write to the school to seek advice.

b) Class Names and Venues for 2025

The names of our classes are based on our school values (CARE³), the 3Cs of Care, Connect and Contribute, and our vision for every Yuhuan to 'Flourish'. Please refer to **Annex B** on the locations of the various classrooms for next year.

c) Start Right Programme

To prepare your child/ward for the new academic year, the school will be organising a Start Right programme on the first two days of Term 1, which will cover academic and student development matters, as well as help strengthen peer and teacher relationships. On 2nd January, Thursday, students will be dismissed at **12.40 pm**, except for Sec 1 students who will end at **4 pm** for their orientation programme. On 3rd January, Friday, all students will be dismissed at **12.40 pm**

1.2 Developing Self Discipline and Responsibility

a) Punctuality and Attendance

Reporting time is **7.30am on all days**, except **Wednesdays**, to report by **8.25am**. Please ensure that your child/ward is in school at least 10 minutes early and to account for traffic congestion. The discipline to be punctual is important to upkeep, as your child grow socio-emotional competencies to Be The Change, From Inside Out.

Beyond punctuality, we also seek your support to monitor your child's/ward's attendance and ensure he/she does not stay away from school without valid reasons. Your child's/ward's absence should be substantiated with **medical certificates only, unless otherwise approved due to special circumstances**. Students who are absent without valid reasons will face serious disciplinary consequences.

b) Dress Code

Students are to report in formal white uniform on Mondays and are free to wear school polo shirt for other days of the week. Yuhuans are reminded to maintain proper attire with formal school skorts/shorts/pants, as well as white socks and black shoes. Proper grooming is essential, for Yuhuans to display their daily readiness to learn.

c) Responsible Use of Mobile Phones & Personal Learning Devices (PLDs)

As a school, our mission is to build students who care, connect and contribute to each other's learning and growth. To minimise distractions to learning, students are to **ensure that their handphones and electronic gadgets are switched off and kept in their lockers throughout the day**. To ensure a conducive learning environment for all, handphones will be confiscated if they are inappropriately used.

Yuhuans are also reminded to exercise responsible use of their Personal Learning Devices (PLDs) both in class and beyond curriculum time. Devices should **be fully charged before the start of each school day** and be kept safely in lockers when not required for lessons. PLDs should be used primarily for learning, and we urge parents to journey closely with your children to manage their screen time at home judiciously.
