

Post-secondary Admission under FSBB

From Year 2028, students will also have **more options for their post-secondary pathways**, which will better **recognise their different combinations of subjects and subject levels for admission**.

Students taking at least	POST-SEC PATHWAYS

Post-secondary Admissions for students taking mostly G1 subjects

For students **taking mostly G1 subjects**, post-secondary **admissions to 3-year Higher Nitec will be based on 4 subjects**. Minimum entry requirements differ (e.g. pass in English, Math/Science).

Posting for the **3-year Higher Nitec** courses after meeting requirements is **based on net aggregate score for 4 subjects less bonus points**.

More Institute of Technical Education (ITE) students will be given the chance to move on to polytechnics from academic year 2027, as part of efforts to expand pathways and choices for students.

Those pursuing a Higher Nitec qualification at ITE will be guaranteed admission to a polytechnic course related to their Higher Nitec course, if they attain a grade point average (GPA) of 3.5 or above.
